# Public Contracts in Poland

2016-10-26 12:26:15

Global law firm Dentons has launched Public Contracts in Poland (<http://www.publiccontractsinpoland.com/>), a new online service for companies seeking business opportunities on the basis of public procurement. It is the one and only service of its type run by a law firm in Poland.

Public Contracts in Poland is a service for those who wish to deliver goods and services on the basis of public procurement and seek business opportunities in Poland.

The service was created to collect in one place all current public tenders published by Polish and European institutions related to work in Poland.

Register and find the biggest and most interesting public offers. Once you define your goals, Dentons Public Procurement team will help you take care of every detail on the legal side.

In addition, each registered user will receive the most important information on the latest public offers by email – free of charge.
