

Event held under the High Patronage
of the President of Romania

Enhancing european and transatlantic economic cooperation

September 17-18, 2018 | Bucharest, Romania

Dear 3SI partners,

We are glad to inform you that the website/online registration platform dedicated to 3SI Business Forum is now available.

For registration, participation and other details, please access the following link:
www.3si-business.com.

Please note that the online registration through the 3SI website is compulsory for all participants (Chambers of Commerce, companies, academics etc.).

In order to facilitate the registration process, we kindly ask you to send us a preliminary list of companies/representatives of the proposed business delegation. Our recommendation is that the list should comprise 15 to 20 companies from your country.

For convenience reasons, we kindly suggest the Presidents of the Chambers of Commerce to book their accommodation at Pullman Hotel Bucharest, located in the vicinity of the venue.

Shortly we will forward you a dedicated program for the Presidents of the Chambers of Commerce during their stay in Bucharest.

Also, please, find below the following documents: updated agenda (also available on the website), registration and attendance policy together with a list of recommended hotels.
