

HOTEL ACCOMMODATION FOR 2018

The Chamber of Commerce and Industry of Romania (CCIR) has negotiated preferential room rates with certain hotels in Bucharest for 2018. Delegates to *The Three Seas Initiative Business Forum* wishing to book accommodation at any of the hotels are requested to contact the hotels directly, mentioning the reference specified for every hotel "*The Chamber of Commerce and Industry of Romania - CCIR*".

Room rates cover low and high season and they include all taxes unless otherwise indicated. During exhibitions and fairs, some hotels apply full rates.

All hotels are equipped with Internet connection and/or Wifi.

The preferential room rates are strictly confidential and granted to CCIR delegates only. They must in no way be disclosed. When making your reservation, please give a credit card number to guarantee your accommodation. Please also indicate your expected time of arrival at the hotel to make sure your room is ready.

Unless otherwise indicated, cancellations must be notified in writing (e-mail or fax) 24 hours ahead of arrival, during exhibitions and fairs at least 48 or 72 hours ahead of arrival.

Participants in *The Three Seas Initiative Business Forum* are recommended to make their hotel bookings well ahead of the meetings since many events, exhibitions and fairs are being organized in Bucharest.

City tax of 1% and 9% VAT may not be included in the rates mentioned bellow. Please check with the hotel when reservation is made.
